I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNTAC

A. Initial assessment

1. By its resolution 718 (1991) of 31 October 1991, the Security Council expressed its full support for the agreements on a comprehensive political settlement of the Cambodia conflict (Paris agreements), signed in Paris on 23 October 1991, which, inter alia, call for the establishment of a United Nations Transitional Authority in Cambodia (UNTAC). By its resolution 46/222 of 14 February 1992, the General Assembly decided to appropriate an amount of US$ 200 million to meet the initial, unavoidable requirements, as indicated in the reports of the Secretary-General and of the Advisory Committee on Administrative and Budgetary Questions, to enable the Secretary-General to initiate the action necessary for a timely deployment of the United Nations Transitional Authority in Cambodia consistent with the eventual plan of implementation.

2. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.B. below and is shown in section III.

B. Apportionment of the costs of peace-keeping operations

3. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Fund (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

4. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

5. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

6. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNTAC. However, the composition of the four groups of Member States has

changed repeatedly since 1973 as a result of the admission of 33 new Member States, including 7 new Member States in 1991, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/198 of 20 December 1991. The percentage shares shown in section III below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991.

I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIFIL FOR THE PERIOD 1 AUGUST 1991 TO 31 JULY 1992

A. Period from 1 August 1991 to 31 January 1992

1. Under General Assembly resolution 45/244 of 21 December 1990, the Secretary-General was authorized to enter into commitments for UNIFIL at a rate not to exceed $12,789,000 gross ($12,557,000 net) per month for the 12-month period beginning 1 February 1991, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 659 (1990), the said amount to be apportioned among Member States in accordance with the provisions laid out in section I C below.

2. By its resolution 701 (1991) of 31 July 1991, the Security Council decided to extend the mandate of UNIFIL for a period of six months until 31 January 1992. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $76,734,000 gross ($75,342,000 net), representing commitments for UNIFIL for the period from 1 August 1991 to 31 January 1992 was apportioned among Member States. The amount so apportioned (see sect. IV below) was appropriated by the General Assembly under the terms of its resolution 46/194 of 20 December 1991.

B. Period from 1 February to 31 July 1992

3. Under General Assembly resolution 46/194, the Secretary-General was authorized to enter into commitments for the operation of UNIFIL at a rate not to exceed $13,337,000 gross ($13,089,000 net) per month for the period beginning 1 February 1992, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 701 (1991), subject to obtaining the prior concurrence of the Advisory Committee on Administrative and Budgetary Questions for the actual level of commitments to be entered into for each mandate period that may be approved subsequent to 31 January 1992.

4. By its resolution 734 (1992) of 29 January 1992, the Security Council decided to extend the mandate of UNIFIL for a further interim period of six months until 31 July 1992. The Advisory Committee on Administrative and Budgetary Questions gave its concurrence for entering into commitments for UNIFIL in an amount not exceeding $76,672,000 gross ($75,474,000 net), for the six-month period from 1 February to 31 July 1992.

5. Additionally, it was decided that, in accordance with regulation 5.2 (c) of the Financial Regulations of the United Nations, the contributions to UNIFIL until 31 January 1992 of the new Member States should be treated as miscellaneous income to be set off against the apportionments authorized as indicated in paragraph 4 above. Total miscellaneous income amounts to $44,614 (see sect. VI below).

6. The amounts so apportioned among Member States in accordance with the provisions laid out in section I C below are shown in section V of the present document.

C. Apportionment of the costs of peace-keeping operations

7. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

8. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

9. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

10. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNIFIL. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 33 new Member States, including 7 new Member States in 1991 (see sect. VI below), and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/244 of 21 December 1990 and 46/194 of 20 December 1991. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1989-1991, adopted by General Assembly resolution 43/223 A of 21 December 1988 and adjusted by resolution 45/256 B of 21 December 1990, and the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991, respectively.

II. RECAPITULATION OF THE BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIFIL FOR THE PERIODS 1 AUGUST 1991 TO 31 JANUARY 1992 AND 1 FEBRUARY TO 31 JULY 1992
